Tunisian heritage*

PARADISE TEX

Welcome to PARADISE TEX, a specialist in weaving and garment manufacturing with 40 years of expertise. Our factory offers a wide range of products, with our flagship item being the Fouta.

The Fouta, a beautiful story: this accessory, born in the hammam, has made its way to beaches, closets, and bags. Thanks to its success, it has become a must-have in every home!

The Queen Fouta boasts numerous advantages: made from 360 to 450 grams of cotton, it is lightweight, soft, absorbent, quick-drying, and compact. Its generous dimensions and wide variety of colors and patterns make it irresistible.

Entirely handcrafted in our workshops, our Foutas embody the perfect blend of quality and tradition.

The Fouta is just the beginning. Explore the exclusive models we offer at PARADISE TEX!
